| Start Time                       | Duration   | Topic  | Speaker   |
|----------------------------------|------------|--|---|
| <b>SESSION 3</b><br>6:30-8:30    | 120        | Regulatory Streamlining & Harmonization in BioAg- Need Globally Local                                    | <b>Nicolás Cock Duque</b> , President at BioProtection Global and External Affairs Manager at Ecoflora (Integrated Biosolutions from Gowan).  |
| 6:30-6:50                        | 20         | Introduction by Chairperson Global Overview for Biopesticides Regulatory                                 | <b>Nicolás Cock Duque</b> , President at BioProtection Global and External Affairs Manager at Ecoflora (Integrated Biosolutions from Gowan).  |
| 6:50-7:10                        | 20         | Global Overview for Biostimulant Regulatory  | <b>Marco Rosso</b> , Global Corporate Affairs Director, Valagro   |
| 7:10-8:00                        | 50         | Panel: Global Regulatory - Insights from 5 Continents  | <b>Nicolás Cock Duque</b> , Panel Chair, PANELISTS: <b>Julia Emanuela</b> , Regulatory Affairs Specialist, Biologicals, Croplife Brazil; <b>Jennifer Lewis</b> , Exec. Director IBMA; <b>Keith Jones</b> , Exec. Director BPIA, USA; <b>Luca Bonini</b> , CEO Hello-Nature and President EBIC, and <b>Vipin Saini</b> , CEO, BASAI; Associate Editor, Crop Care Division, Krishi Jagran; and ABP - GBAL |
| 8:00-8:20                        | 20         | The Status and Future of Biopesticides and What Would Further Drive Adoption                             | <b>Charles (Billy) Smith</b> , Acting Division Director, Biopesticides and Pollution Prevention Division, Office of Pesticide Programs of EPA   |
| 8:20-8:30                        | 10         | Session Chair Wrap-Up; Q&A   | <b>Nicolás Cock Duque</b> , President at BioProtection Global and External Affairs Manager at Ecoflora (Integrated Biosolutions from Gowan).  |
| <b>NETWORKING</b><br>8:30-9:30   | <b>60</b>  | <b>Conference Break</b><br><b>Visit the Exhibition Hall and Networking Lounge</b>                        |   |
| <b>SESSION 4</b><br>9:30-11:30   | 120        | BioAg Commercialization & Adaptability Challenges - Time to Walk the Talk for the Sake of Sustainability | <b>Daren Coppock</b> , President & CEO ARA (Agricultural Retailer Association) USA  |
| 9:30-9:40                        | 10         | Introduction by Chairperson Including Trends and Future Outlook  | <b>Daren Coppock</b> , President & CEO ARA (Agricultural Retailer Association) USA  |
| 9:40-10:00                       | 20         | Challenges and Resistance for New Technology from Farmer Point of View                                   | <b>Walt Duflock</b> , Director of Innovation for Western Growers & Farmer; <b>Dennis Donohue</b> , Director of Western Growers Center for Innovation & Technology   |
| 10:00-10:50                      | 50         | Panel: Commercialization and Adoption Challenges for BioAg Products and New Technologies                 | <b>Daren Coppock</b> , Panel Chair; PANELISTS: <b>Marcus M. Smith</b> - CEO, Bioconsortia USA; <b>Norm Davy</b> , CRO Heliae; <b>Shawn Semones</b> , Head of R&D, Anuvia; <b>Ben Duesterhaus</b> , Research Agronomist with Mid-Valley Ag Services; <b>Marcus Jones</b> of Land O'Lakes and <b>Matthew Meisner</b> , Farmers Business Network   |
| 10:50-11:20                      | 30         | Farmer Perspective on Adoption of Innovative Technologies  | <b>Stuart Wolf</b> , Owner Wolf Farming and Harris Wolf Almonds, Marrone Bio Board member   |
| 11:20-11:30                      | 10         | Session Chair Wrap-Up; Q&A   | <b>Daren Coppock</b> , President & CEO, ARA (Agricultural Retailer Association) USA   |
| 11:30-12:00                      | 30         | Top 5 Candidates of the BioAgro Disruptor Award to present   | Top 5 will be announced in early March, all 5 will speak for 6 minutes each.  |
| <b>NETWORKING</b><br>12:00-14:00 | <b>120</b> | <b>Conference Break</b><br><b>Visit the Exhibition Hall and Networking Lounge</b>                        |   |

## FULL AGENDA - 3D VIRTUAL 2021 EVENT

WEDNESDAY • MARCH 17, 2021

Times are in US Pacific Time

[bioagworld.com](http://bioagworld.com)

| Start Time                       | Duration | Topic   | Speaker   |
|----------------------------------|----------|---|---|
| <b>SESSION 5</b><br>6:30-8:30    | 120      | Role of Institutions, Investment in BioAg & Tangible ROI: What are the Missing Links and Why  | <b>Pam Marrone</b> , Executive Chair & Partner and MD Precision AgTech and Capital Raising, GBAL & PBI  |
| 6:30-6:35                        | 5        | Introduction by Chairperson   | <b>Pam Marrone</b> , Executive Chair & Partner and MD Precision AgTech GBAL & PBI   |
| 6:35-6:55                        | 20       | What Young Innovators (students) Need to be Prepared for Modern Digital and Sustainable Ag  | <b>Dr. Ben Houlton</b> , Dean, Cornell College of Ag & Life Sciences  |
| 6:55-7:20                        | 25       |   | <b>Dr. Ben Houlton</b> , Panel Chair; <b>PANELISTS: Dr. Mason Earles</b> , Associate Professor, UC Davis Plant Sciences; <b>Professor MS Reddy</b> , Chairman, Asian PGPR Society   |
| 7:20-8:05                        | 45       | Panel: What Investors Look for Before Investing in BioAg Companies and the Promise of Biologicals   | <b>Pam Marrone</b> , Panel Chair; <b>PANELISTS: Carl Casale</b> , Blueberry Farmer and Partner, Ospraie Ag Sciences; <b>Sanjeev Krishnan</b> , Chief Investment Officer, S2G Ventures   |
| 8:05-8:25                        | 20       | Need to prevent the introduction and spread of invasive plant pests to secure our food supply and ensure farmers' ROI.  | <b>Dr. Osama El-Lissy</b> , USDA's Deputy Administrator of Plant Protection and Quarantine  |
| 8:25-8:30                        | 5        | Session Chair Wrap-Up; Q&A  | <b>Pam Marrone</b> , Executive Chair & Partner and MD Precision AgTech and Capital Raising, GBAL & PBI  |
